FRENCH FIRST LANGUAGE EDUCATION ELIGIBILITY [Completion of this section is voluntary]

One of the ways you may access French first language education is under Section 23 of the **Canadian Charter of Rights and Freedoms** as an entitled parent. Under the Nova Scotia *Education Act*, children of an **entitled parent** are entitled to be provided a French-first-language program.

An **entitled parent** means a parent who is a citizen of Canada and

- i. whose first language learned and still understood is French, or
- ii. who received his or her primary school instruction in Canada in a French-first-language program, or
- iii. of whom any child has received or is receiving primary or secondary school instructions in Canada in a French-first-language program.

As a parent, do you meet at least one of the above criteria? ☐ Yes ☐ No ☐ Do Not Know

Note: French first language education is not a French immersion program.

You are advised that future children of your son or daughter may lose their right to an education in the French first language if your child does not attend a French first language school.

In Nova Scotia, French first language education is only offered by the Francophone school board, the Conseil scolaire acadien provincial (CSAP).

Representatives from CSAP are available to answer any questions you have regarding French first language education and to help you determine if you are an entitled parent.

Do you wish to have your name, home telephone number, and email address given to CSAP for a representative to contact you with more information about French first language education? ☐ Yes ☐ No

You may also contact the CSAP at 902-769-5458, 1-888-533-2727, or visit the CSAP website at www.csap.ca.

I/we certify that all of the information on this registration form to be correct.
